The D&D Basic Rules document is divided into three parts. Part 1 is about creating a character, providing the rules and guidance you need to make the character youâ™ play in the game. It includes information on the various races, classes, backgrounds, equipment, and other customization options that you can choose from.

### Player's Basic Rules | Dungeons & Dragons

In recreational mathematics and combinatorial design, a magic square is a Ñ— square grid (where n is the number of cells on each side) filled with distinct positive integers in the range ,,..., such that each cell contains a different integer and the sum of the integers in each row, column and diagonal is equal. The sum is called the magic constant or magic sum of the magic square.
