The left–right political spectrum is a system of classifying political positions, ideologies and parties, from equality on the left to social hierarchy on the right. Left-wing politics and right-wing politics are often presented as opposed, although a particular individual or group may take a left-wing stance on one matter and a right-wing stance on another; and some stances may overlap and ...

One-nation conservatism (also known as one-nationism, or Tory democracy) is a form of British political conservatism advocating preservation of established institutions and traditional principles combined with political democracy, and a social and economic programme designed to benefit the common man. This political philosophy views society as organic and values paternalism and pragmatism.

The Survivors History Group was founded in April 2005 to value and celebrate the contribution that mental health service users/survivors have made and are making to history. It is working towards a comprehensive history on this site and in a book. It will also preserve historical material in digital form on this site, and in printed and other forms.
