

engineering and construction contract pdf

The New Engineering Contract (NEC), or NEC Engineering and Construction Contract, is a formalised system created by the Institution of Civil Engineers that guides the drafting of documents on civil engineering and construction projects for the purpose of obtaining tenders, awarding and administering contracts. As such they legally define the responsibilities and duties of Employers (who ...

NEC Engineering and Construction Contract - Wikipedia

The City routinely relies on architectural and engineering firms for design, bid document preparation, construction inspection, survey, landscape design and related services. Open Work Order Contracts are established with a wide variety of firms to manage peak work load and to provide expertise which is not available within the City organization.
