Hot pants, or 'short shorts', are a fashion item from the 1960s which is still popular today. They first appeared as a design item in so-called 'Swinging London'. The trend for shorter, brighter shorts for young women was started by designers in London such as Mary Quant.. Running or gym shorts are worn by girls as normal wear in some places. Many gym shorts have an inlay made of a comfortable ...

Hot pants - Simple English Wikipedia, the free encyclopedia

Trousers (British English) or pants (American English) first appear in recorded history among nomadic steppe-people in Western Europe. Archaeological evidence suggests that men and women alike wore pants in that cultural context. However, for much of modern history, the use of trousers has been restricted to men.
