how luck happens using pdf

Luck is the concept that defines the experience of notably positive, negative, or improbable events. The naturalistic interpretation is that positive and negative events happen all the time in human lives, both due to random and non-random natural and artificial processes, and that even improbable events can happen by random chance. In this view, being "lucky" or "unlucky" is simply a ...

When using pdfTeX, you can include JPEG images, which you can compress to be smaller beforehand. They stay small in the final PDF file. The quality obviously goes down, which is why I personally always include PNG files with lossless compression, which are then converted to whatever format the journal needs at the end. I have noticed that with my submissions to IEEE, my original lossless ...
