Enron Corporation was an American energy, commodities, and services company based in Houston, Texas. It was founded in 1985 as a merger between Houston Natural Gas and InterNorth, both relatively small regional companies. Before its bankruptcy on December 3, 2001, Enron employed approximately 29,000 staff and was a major electricity, natural gas, communications and pulp and paper company, with ...

The Procurement Forum is managed by the European Secretariat of ICLEI- Local Governments for Sustainability, as part of the Procurement of Innovation Platform project financed by DG Enterprise and Industry " European Commission.

Procurement Forum

A best practice is a method or technique that has been generally accepted as superior to any alternatives because it produces results that are superior to those achieved by other means or because it has become a standard way of doing things, e.g., a standard way of complying with legal or ethical requirements.. Best practices are used to maintain quality as an alternative to mandatory ...
