[Read Online] intercultural philosophy PDF

The idea of intercultural philosophy. When developing an approach to intercultural philosophy one has to abandon the idea of using only one's own ways of demonstration and description but has to include other forms such as dance, music, architecture, rituals, art, literature, myths, proverbs, folk tales and so on.

Intercultural philosophy - Wikipedia

The meeting of different cultures, philosophies and religions today calls for an intensive and qualified discourse on the part of all concerned. Intercultural Philosophy seeks to develop such a discourse through a new orientation of thought that will allow for a discussion of all philosophical problems from an intercultural perspective.
