Open Secrets: India's Intelligence Unveiled: Maloy Krishna

Intelligence is a tool of statecraft. It helps the state to maintain peace at home and make war and peace abroad. Open secrets reveal how in India they are servants of the people in an elected constitutional democracy. In India an intelligence operator is considered as an officer, he is not an agent in the sense of CIA uses the word. He is often treated as a clerk. This is a big fallacy. A must-read for those that do not understand why some events occur in India the way they do.
