An Introduction to Farmland Investing. Farmland is a fantastic investment! We eat food everyday and it is an important part of our culture. Since food is so in-grained in our lives it only makes sense that it should also be a part of our investment strategy. Inflation hedging is the main reason why some investors are looking at agriculture.

The IRS limits how much more money you can put in. Per the IRS, at a certain point itâ€™s no longer a life insurance policy, but an investment called a Modified Endowment Contract (MEC), and it loses the tax benefits accorded to life insurance policies. Ideally, you fund the policy right up to the MEC line to decrease the amount of time it takes until your policy has significant cash value.
