and education.

Philosophy of Development: Reconstructing the Foundations

Ujamaa was founded on a philosophy of development that was based on three essentials - freedom, equality and unity. The ideal society, Nyerere (1967: 16) argued, must always be based on these three essentials. According to him, there must be equality, because only on that basis will men work cooperatively.

The African e-Journals Project has digitized full text of

social reconstruction would look like in education can be drawn. Bode (1933) explains social reconstruction as a "continuous reconstruction of experience" (p. 19) in daily school practice with the following examples: This reconstruction of experience, if it is to have any significance, must take the form of actual living and doing.
