NEET 2019 SYLLABUS " The NEET 2019 will be conducted by National Test Agency (NTA) from the following year i.e 2019. The syllabus will be released under the guidelines of the agency and its authorities. The syllabus will be released online so the candidates are requested to keep themselves updated through the official website or the [!]

NEET 2019 Syllabus for Physics, Chemistry, Biology

Unsolved problems in chemistry tend to be questions of the kind "Can we make X chemical compound?", "Can we analyse it?", "Can we purify it?" and are commonly solved rather quickly, but may just as well require considerable efforts to be solved. However, there are also some questions with deeper implications.

States of Matter We look at five states of matter on the site. Solids, liquids, gases, plasmas, and Bose-Einstein condensates (BEC) are different states of matter that have different physical properties.

Chem4Kids.com: Matter: States of Matter

Chemistry is the scientific discipline involved with elements and compounds composed of atoms, molecules and ions: their composition, structure, properties, behavior and the changes they undergo during a reaction with other substances. In the scope of its subject, chemistry occupies an intermediate position between physics and biology. It is sometimes called the central science because it ...
