

### **property law pdf**

Intellectual property (IP) is a category of property that includes intangible creations of the human intellect. Intellectual property encompasses two types of rights; industrial property rights (trademarks, patents, designations of origin, industrial designs and models) and copyright. It was not until the 19th century that the term "intellectual property" began to be used, and not until the ...

Scots property law governs the rules of property in Scotland. A fundamental distinction in Scots law is between heritable and moveable property. Heritable property includes land and buildings, whereas moveable property includes property which actually physically moves, which would normally pass only on delivery. Moveable rights also include those to intellectual property, such as patents, trade ...

Nearly all Texans know that Texas is a "community property state." But I'm not sure how many really know what that means. I've learned that most people think it means that each spouse gets half of everything. But if it were that simple, estate planning and divorce lawyers would be jobless. So I've devised this crash course in Texas marital property law to give you a basic ...
