Biblical hermeneutics is the study of the principles of interpretation concerning the books of the Bible. It is part of the broader field of hermeneutics which involves the study of principles of interpretation for all forms of communication, nonverbal and verbal.. While Jewish and Christian Biblical hermeneutics have some overlap and dialogue, they have distinctly separate interpretative ...

The historicity of the Bible is the question of the Bible's "acceptability as a history". This can be extended to the question of the Christian New Testament as an accurate record of the historical Jesus and the Apostolic Age.. Many fields of study span the Bible and history; such fields range from archeology and astronomy to linguistics and comparative literature.

THE BIBLICAL VIEW OF HUMAN NATURE. Part 1. Part 2. The belief in conscious life after death is one of the greatest deception of our times. Such a belief is promoted today not only by the Catholic and Protestant teachings on the immortality of the soul, but also by the polished image of mediums and psychics, the sophisticated "scientific" research into near-death experiences, and the popular ...
