It's also common for skinny guys to mistake having bad posture for having a gut. If your abs aren't large enough to show through, and your pelvis is tilted forward pushing your stomach out, it can create the illusion of having a little belly—what we affectionately call an ecto-belly. This could be caused by a number of things: sitting a lot, having weak abs/glutes, not having proper hip ...

(Updated March, 2018) As a naturally skinny guy, I spent almost 10 years of my life trying and failing to gain weight. During these failed attempts, I would often lose weight. People would see this, and they'd tell me to "just eat more." Then they'd look at me like they'd just solved all of my problems, totally confident they'd given me the information I'd been missing all my life.
