racial ideology in the United States. Unfortunately, so do historians and other academic specialists, who vitally need to take a distance from these assumptions in order to do their job. The Single "Race" One of the most important of these absurd assumptions, accepted implicitly by most Americans, is that there is really only one race, the Negro race.

Slavery, Race and Ideology in the United States of America

Baptist tells "the other half of [slavery's] story," a half that has been "left out of history" by southern whites who "convinced a majority of white Americans, including most historians, that slavery had been benign and that "states' rights" had been the cause of the Civil War" (xxii, 409).

Project MUSE - The Half Has Never Been Told: Slavery and

This book furnishes an account of the making of the European systems of colonial slavery in the Americas, and seeks to illuminate their role in the advent of modernity. These slave systems were themselves radically new in character compared with prior forms of slavery, yet they were assembled from apparently traditional ingredients.
