academic jazz article, although for the most part relatively modest in its impact, has led to the growth of a
rather different kind of jazz essay, one that has often made it its business to question the accepted priorities
of a generation of professional jazz critics with a living to earn and a public to keep interested.

Visions Of Jazz: The First Century By Gary Giddins

Published in 1998, Visions of Jazz provides a thematic, chronologically sequenced tour of jazz music's first 100 years. Giddins is an able, erudite tour guide, a deeply knowledgeable and strongly opinionated student of jazz.

Visions of Jazz: The First Century by Gary Giddins

Jazz musicians learned via aural and oral ways in non-academic settings in the historic jazz culture (Goodrich, 2008). As they learned how to play jazz music, they listened to live performances, records, and fellow jazz musicians, or peers. Historically, peer mentoring comprised an integral part of learning in jazz music (Goodrich, 2007).
