The real deal about jobs in Japan, the types of jobs available, qualifications required, and some unique ways you can stand out from the crowd.

### How to Get a Job in Japan - Japanese Rule of 7

Education in China is a state-run system of public education run by the Ministry of Education. All citizens must attend school for at least nine years, known as the nine-year compulsory education, which is funded by the government. Compulsory education includes six years of primary education, starting at age six or seven, and three years of junior secondary education (junior middle school) for ...
