

world history and geography pdf

The history of geography includes many histories of geography which have differed over time and between different cultural and political groups. In more recent developments, geography has become a distinct academic discipline. 'Geography' derives from the Greek $\gamma\epsilon\omicron\gamma\alpha\phi\iota\alpha$ $\hat{=}$ "geographia, a literal translation of which would be "to describe or write about the Earth".

World history or global history (not to be confused with diplomatic, transnational or international history) is a field of historical study that emerged as a distinct academic field in the 1980s. It examines history from a global perspective. It is not to be confused with comparative history, which, like world history, deals with the history of multiple cultures and nations, but does not do so ...
