Although no globally accepted definition of the Arab world exists, all countries that are members of the Arab League are generally acknowledged as being part of the Arab world. The Arab League is a regional organisation that aims (among other things) to consider in a general way the affairs and interests of the Arab countries and sets out the following definition of an Arab:

The Social Media have changed the power structures in the marketplace; evidence points to a major power migration taking place and to emergence of a new breed of powerful and sophisticated customer, difficult to influence, persuade and retain. The paper outlines the nature, effects and present status of the Social Media, underlying their role as customer empowerment agents.
