Plot summary. At a charity event organized by Iris West, the Flash performs super-speed tricks to entertain the children there as the scheduled magician has not come. Recreating a rope climbing trick, the Flash begins vibrating his molecules when he suddenly disappears from the stage. He finds himself outside near an unfamiliar city, which he discovers to be Keystone City, the home of the ...

In recent years, the Business History Conference has sprouted several interest groups that have coalesced around perceived needs. The first two, "Women in Business History" and "Business Historians at Business Schools," meet informally over lunch at the annual meeting to discuss issues in the profession and to network. The "Emerging Scholars" group began informally, but its leadership now ...
