purpose of teacher assessment and evaluation. The core purpose of teacher assessment and evaluation should be to strengthen the knowledge, skills, dispositions, and classroom practices of professional educators. This goal serves to promote student growth and learning while also inspiring great teachers to remain in the classroom.

learning. Assessment really is the bridge between teaching and learning. Formative Assessment Of course, the idea that assessment can help learning is not new, but what is new is a growing body of evidence that suggests that attention to what is sometimes called formative assessment, or assessment for learning, is one of the most pow-
