The codes used for easy reference work, but they can seem cumbersome when you see them throughout the book. But a reference of any kind needs to be easy (simple) to use. The Writer's Reference was written for high school and college students. The examples are many and varied. I wish A Writer's Reference was bounded other than comb binding.

Using APA Format (6th edition) APA formatting and documentation style is used in a variety of disciplines, including nursing, business, social work, education, and other behavioral and social sciences. APA values currency of work and thus cites by author(s) and year (as opposed to MLA, which values authorship and cites by author and page number).
