Journalism refers to the production and distribution of reports on recent events. The word journalism applies to the occupation, as well as citizen journalists using methods of gathering information and using literary techniques. Journalistic media include print, television, radio, Internet, and, in the past, newsreels. Concepts of the appropriate role for journalism vary between countries.

If you’ve never used some of the items I listed above and can’t imagine needing them, fine. But make a list of everything you know you’ll need so when the actual writing begins, you’re already equipped.. As you grow as a writer and actually start making money at it, you can keep upgrading your writing space.
