"Management Essentials" is a course that's designed to help new and recently appointed managers better understand their role in leadership. Through this course you will find out exactly what you need to learn about managing teams, as well as whether you can recall the information at the end of each lesson, and how to apply this information to your specific situation.

10. Readers need a balanced approach to language arts, one that includes a responsible approach to the teaching of writing as well as reading.

Units of Study for Teaching Reading Grades K-5

The earliest forms of written communication originated in Serbia (VinÄ•a culture), followed by Sumer, located in southern Mesopotamia about 3500-3000 BCE. During this era, literacy was "a largely functional matter, propelled by the need to manage the new quantities of information and the new type of governance created by trade and large scale production".
