A website content writer or web content writer is a person who specializes in providing relevant content for websites. Every website has a specific target audience and requires the most relevant content. Content should contain keywords (specific business-related terms, which internet users might use in order to search for services or products) aimed towards improving a website's SEO.

A grapheme is a specific base unit of a writing system. Graphemes are the minimally significant elements which taken together comprise the set of "building blocks" out of which texts made up of one or more writing systems may be constructed, along with rules of correspondence and use. The concept is similar to that of the phoneme used in the study of spoken languages.
