Writing the narrative: the triumphs and tribulations

Analogies A word analogy draws a relationship between two words by comparing them to two other words. When you write, it is important to understand how words are related. A word analogy shows how word pairs are related. Once you determine how the two words are related, you find the same relationship among the pairs in the

A grapheme is a specific base unit of a writing system. Graphemes are the minimally significant elements which taken together comprise the set of "building blocks" out of which texts made up of one or more writing systems may be constructed, along with rules of correspondence and use. The concept is similar to that of the phoneme used in the study of spoken languages.
