Ethics or moral philosophy is a branch of philosophy that involves systematizing, defending, and recommending concepts of right and wrong conduct. The field of ethics, along with aesthetics, concern matters of value, and thus comprise the branch of philosophy called axiology.. Ethics seeks to resolve questions of human morality by defining concepts such as good and evil, right and wrong ...

The direct effect of CO<sub>2</sub> is only 1.2C. The IPCC estimates that carbon dioxide's direct effect is 1.2 °C 1 of warming (that is, before feedbacks are taken into account) for each doubling of the carbon dioxide level. Models amplify that warming with assumptions about positive feedback (see the blue region of model estimates in the graph below). But observations show that net feedback is ...

You and the original poster are both partially right in my experience. I also got my ticket in 2005, and while I wasn't required to take spin training, we spent some time on "stall-spin awareness" that was designed to help lessen the possibility that you might get into a stall-spin situation, and also how to recover from a spin, although we never actually did any.

10. Summary: Number fetishism leads usability studies astray by focusing on statistical analyses that are often false, biased, misleading, or overly narrow. Better to emphasize insights and qualitative research. There are 2 main types of user research: quantitative (statistics) and qualitative (insights). Quant has quaint advantages, but qualitative delivers the best results for the least money.

BPD and The Nice Guy Personality Type. Most people know that women with traits of BPD or borderline personality disorder share certain personality characteristics that create the behavior patterns we associate with the disorder. But what you might not know is that the men who enter relationships with women with traits of BPD often have a pattern of behavior of their own which can be similarly ...
