Yé-yé (French pronunciation:) was a style of pop music that emerged from Southern Europe in the early 1960s. The term "yé-yé" was derived from the English term "yeah! yeah!", popularized by British beat music bands such as the Beatles. The style expanded worldwide, due to the success of figures such as the French singer-songwriters Serge Gainsbourg and Françoise Hardy.

Many copies are in C major, with manuscript-copy parts (as is not rare) scattered over various locations (though one or two locations have in this case a complete set of choral parts.)
