The Secret is a 2006 film consisting of a series of interviews designed to demonstrate the New Thought claim that everything one wants or needs can be satisfied by believing in an outcome, repeatedly thinking about it, and maintaining positive emotional states to "attract" the desired outcome.. The film and the subsequent publication of the book of the same name attracted interest from media ...

Telephone recording laws are laws that govern the civilian recording of telephone conversations by the participants. Recording of private conversations by government or law enforcement (wiretapping) are usually covered by distinct laws. Telephone tapping is strictly regulated in many countries, especially in all developed democracies, to safeguard the privacy of telephone users.
